Sir:

It is requested that the attached disclosure statement be entered and made of record. The references in this disclosure statement were cited in a search report for a PCT application, PCT/US03/02028, which claims priority from this application. The fact of the international search report including references not of record in the present application only became discovered after the Notice of Allowance. The references in the search report are believed to be merely cumulative of the prior art considered during examination of this application and not material to the patentability and scope of the allowed claims.

Inclusion of the disclosure statement pursuant to the requested amendment under 37 CFR 1.312 is needed for proper disclosure and requires no substantial amount of additional work on the part of the United States Patent Office.
